

You Amaze Me

Michael Neale, James Duvall

Verse One

The stars dance
The moon glows
And I see You
When the wind blows
The mountains applaud You
And the oceans reflect You
The power of Heaven
Revealed in creation
And my heart shouts out
At the wonder of Your name

Chorus

You amaze me
You amaze me
And my heart bows down before the King of Glory
You amaze me
You amaze me
And I'm overwhelmed by Your great love and mercy
You amaze me

Verse Two

The sun burns
At morning
Revealing Your glory
The darkness is silenced
At the thunder of Your presence
The power of Heaven
Revealed in redemption
And my heart shouts out at the wonder of Your grace

Chorus

Chorus, Chorus
